CLASSIFIED ADVERTISERS
A POORLY worded, consumptive looking advertisement has very little pulling power.

If your ad is not pulling the maximum amount of results there is a reason. We have employed trained men whose business, it is to make classified ads pay. They have made a thorough study of classified advertising not only in Washington but in other large cities. It will not obligate you in any way to have our representative call ou you. We will not try to sell you anwthing. We simply want to show you how an intelligent force can be applied to your business.
